CMB Pick-a-Commission Plan

Fixed Commission Plan

CMB will provide you with a base commission rate. No volume commitments.

Tiered Commission Plan – no monthly cost

CMB pays you your base commission rate up to \$ 80,000 (gross annual commission), and then your base rate increases for the remainder of the calendar year. Your rate resets back to the base rate every January 1. No volume commitments.

Tiered Commission Plan – monthly cost

CMB pays you your base rate and charges a monthly fixed fee. This option is available from the CMB Head Office Division, and is not offered to agents in the Mortgage Branch Division. Available to a maximum of one licensed manager from each Mortgage Office Division. Volume commitments apply.

Please contact me or your branch manager today, and we will be glad to review your options.
